

REMINDER

It is important that you register with King County Procurement and Contract Services after downloading documents from the RFPs, RFQs & ITBs website. Failure to notify us will result in you not being notified of any addenda, which may result in rejection of your bid/proposal as non-responsive.

To register and download files, refer to the bottom of this document.

KING COUNTY REQUEST FOR PROPOSALS ADVERTISEMENT

King County is requesting Proposal Submittals from firms qualified and interested in providing engineering, design, and ecological services on a work order basis for various transportation projects.

The Request for Proposals, all addenda and current document holder's list, are available on the internet at www.metrokc.gov/finance/procurement/rfp_rfqiitb/default.asp (click the "New" tab then click the "consultants" tab). The County will no longer mail, ship or fax RFP's and addenda.

Interested firms *must* register with the County at time of download and ensure a valid contact email address is given. Notification of addenda will be sent to the registered email address. Failure to register will result in the proposer not being notified of any addenda, which may result in rejection of the proposal as non-responsive.

The County plans to award two (2) contracts based on this solicitation. The maximum value of each contract will be \$500,000 each. The initial period of performance for each contract is one (1) year. The County reserves the right to amend the contracts in one (1) year increments up to a maximum of three (3) years, if funds remain.

Contract Title: **Work Order Based Environmental/Critical Areas Analysis for the Roads Services Division**

Number: **E53026E**

Proposals due **September 30, 2005**

Time: **5:00 p.m.**

Any firm failing to submit information in accordance with the procedures set forth in the Request for Proposal may not be considered responsive and may therefore be subject to disqualification by King County.

SUMMARY OF WORK: The Consultant will provide professional engineering and ecological services on a work order basis for various transportation projects. Services will include, but not be limited to, project management, public involvement, critical areas, mitigation/monitoring, Endangered Species Act, cultural resources, creative/innovative environmental solutions, environmental review, permit applications, stormwater, hazardous materials, erosion and sediment issues, environmental guidance, and special requests. Engineering services in the areas listed above may include design and the preparation of plans and specifications. The Consultant will also provide QA/QC of all products and services prior to submittal to the County.

SUBCONSULTANT OPPORTUNITIES: The following identifies the types of subconsulting opportunities that may be available on this Contract and are provided only for informational purposes: public involvement, biological assessment/biological evaluation, cultural resources,

design of creative/innovative environmental solutions. environmental review and permits/approvals, hazardous materials, erosion and sediment control.

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to subconsulting opportunities and the other non-discrimination and affirmative action requirements with which the Consultant shall comply.

CONTRACTING OPPORTUNITIES PILOT PROGRAM: The King County Contracting Opportunities Program is a public contracting assistance program that is being implemented on a one year pilot basis. The purpose of the Program is to maximize the participation of Small Economically Disadvantaged Businesses (SEDBs) through the use of voluntary participation goals and awarding proposal evaluation points as an incentive factor in the award of King County contracts for Architectural and Engineering (A&E) and Professional services. The SEDB goal for this Project is:

SEDB Goal

1 Certified Firm

FEDERAL REQUIREMENTS: These contracts may also be federally funded in part and subject to certain federally mandated contract provisions. The DBE participation goal for this contract is:

DBE Goal

None

Refer to the Non-discrimination and Affirmative Action Section of the Request for Proposals for full discussion of the application of the non-discrimination and affirmative action provisions to subconsulting opportunities and the other non-discrimination and affirmative action requirements the Consultant shall comply with.

QUESTIONS: Questions concerning this solicitation should be directed to **Frances Gaucin, Contracts Specialist** at 206-684-1342, TTY Relay: 711. The Proposer may be requested to submit the question in writing. No verbal answers by County personnel will be binding on the County.

This information is available in alternate formats for individuals with disabilities upon advance request by calling 206-684-1327, TTY Relay: 711.
